Why I care

Jan

Welcome to my campaign looking forward to your support.

We would like to fund 5 oxygen concentrators at cost of 2'000 PLN per single equipment. That would be a great present for kids for Children's Day.

Stowarzyszenie Medyczne Hospicjum dla Dzieci Dolnego Slaska/ Association Hospice for Children from Lower Silesia: "Formuła Dobra" is a home hospice providing holistic care to incurably - terminally ill children. Their team consists of over 50 people, including among others medical staff, psychologists, physiotherapists, all of them having many years of experience in caring for hospice patients as well as their parents and siblings.

Thank you for your support.
